### Written Plans

A Written Plan (in addition to this NOAP) is required before starting activities near the Resources listed under Site Conditions or Units below unless waived in Technical Note #10 Statutory Written Plan Waiver (available [here](#) or at the local Oregon Department of Forestry office). The Stewardship Forester may notify you of other resources or Written Plan requirements. Written Plans have a waiting period separate from the NOAP waiting period. For more information, contact the Stewardship Forester or see [OAR 629-605-0170](#).

## Notices

**Permission from Landowner and Timber Owner Required:** Submitting this notification does *not* give permission to enter someone's land or remove forest products. Anyone doing so must first obtain permission from the landowner and timber owner.

**Pesticide Use:** Pesticide users must follow all pesticide product label requirements, including any that prohibit applications near or into streams or other water bodies! Pesticide users must be sure the label that comes with the pesticide product allows the planned use! Contact the Oregon Department of Agriculture [here](#) or at 503-986-4635 for information on allowed uses of pesticide products.

**Operations Near Utility Lines:** If you are conducting timber harvesting or road construction within 100 feet of overhead utility lines contact the local utility in accordance with ORS 757.805 - Oregon's Overhead Safety Act and OAR 437-007-0230 - Power Line Safeguards. Identification tags are located on each pole.

Call the Oregon Utility Notification Center at 811 at least 2 business days before starting timber harvesting, road construction, or any other activities involving excavation that may affect an underground utility line. The Center will coordinate with the appropriate utility companies to locate underground utility lines that may be affected by your activities.

**Using Water for Pesticides or Slash Burning:** If you plan to use on-site water (water from a stream, for example) to mix pesticides or for slash burning, you must provide a copy of this NOAP to the local offices of the Oregon Water Resources Department and the Oregon Department of Fish and Wildlife (see ORS 537.141).

**NOAP Changes:** The notifier must inform the Oregon Department of Forestry of any changes in a NOAP before the activity takes place. A new NOAP may be required.

**Subscribers:** There may be subscribers to this Notification, please see Notification Summary page within the e-Notification system or contact ODF for more details.
